

Valin Acquires Pacific PowerTech LLC (PPT)

It is our pleasure to announce that Valin Corporation of Sunnyvale, California has acquired Pacific PowerTech, LLC (PPT) with over 50 years serving the Pacific Northwest with three locations. Pacific PowerTech LLC (PPT) will now operate as Valin Corporation.

This acquisition will provide customers with a new line of suppliers featuring broader complementary product offerings along with expert engineering and field service support.

About Valin Corporation

Valin Corporation is the West's leading distributor of automation, fluid handling, measurement, process heating, and control products for a wide range of industrial and process applications.

Since 1974, Valin has grown to serve the needs of a broad customer base within a wide range of industries: semiconductor/microelectronics, petroleum refining, power generation, chemical processing, measurement and analytical systems, industrial machinery, water and wastewater, scientific research, aerospace, pharmaceutical, biotechnology, food and beverage.

Today, Valin is a total solutions supplier, offering products, services, and engineering support. Our commitment is to understand and exceed the expectations of our valued customers, while delivering high quality product, services, and solutions to their most demanding requirements.
